1. A response has been filed on Feb 24, 2004.
2. Claims under examination are still 17, 19 and 20.
3. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.
4. Claims 17, 19 and 20 are rejected under 35 U.S.C. 103(a) as being unpatentable over Auhorn et al (US 4908240).

Please refer to earlier office action of Oct. 24, 2003 for this rejection.

5. Applicant's arguments filed Feb. 24, 2004 have been fully considered but they are not persuasive.

Applicants on page 3 (of the above paper) state that "Auhorn does not teach the use of soybean polysaccharide." This statement is not persuasive because as stated in earlier rejection, polysaccharide of Auhorn does encompass soybean polysaccharide.

Applicants have submitted a declaration disclosing some data collected after experimentation. Examiner had a discussion with Attorney Peter Olexy about the declaration. The declaration shows results of three runs in table 1 on page 4. However there is no side-by-side comparison with Auhorn. The amounts of ingredients of sizing agent (in table 1) are far different from those used by Auhorn. The data in the declaration, though important, are not conducive to establish patentability of instant invention over Auhorn.

6. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
